

FIG.1

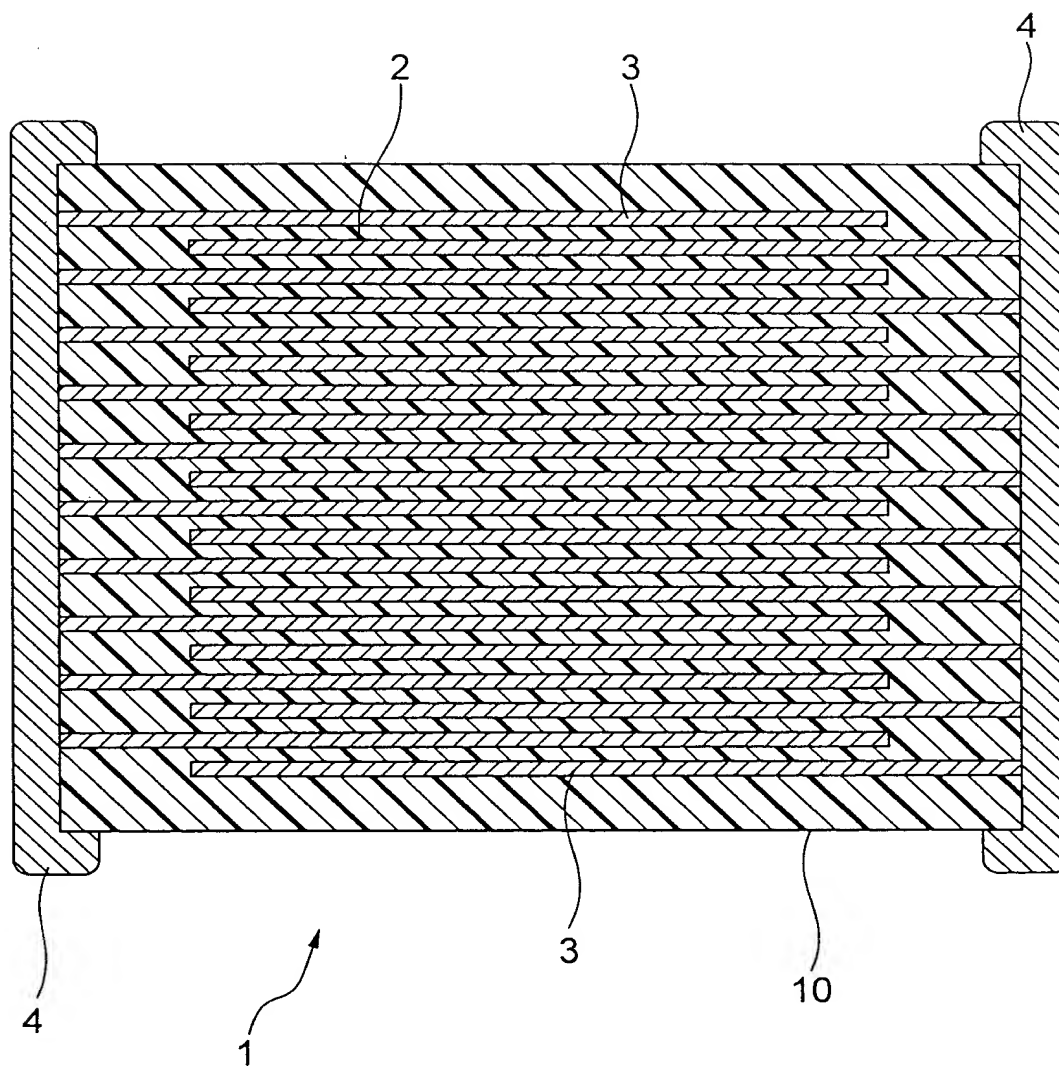

FIG. 1 is a cross-sectional view of a multi-layered material assembly. The assembly includes a central core (2) and a surrounding border (3). The core (2) is composed of alternating horizontal and vertical layers. The border (3) is a thick, diagonally hatched layer. The entire assembly is enclosed within a rectangular frame (4). A reference numeral 1 with an arrow points to the central core area, and 10 points to the bottom right corner of the assembly.
